

To Do Checklist for Breeders

Before the litter is whelped:

___ DCA Members - Nominate your litter for the DCA futurity

<https://dalmatianclubofamerica.org/futurity-on-line-form-dam/>

___ DCA Members - Create your DCA breeder upcoming litter ad for the DCA website in the Member Area at <https://dalmatianclubofamerica.org/breeder-listing-service/>

After the litter is whelped:

___ DCA Members - Update your DCA breeder upcoming litter ad for the DCA website

<https://dalmatianclubofamerica.org/breeder-listing-service/>

___ Apply for your AKC litter number <https://www.akc.org/register/litter/>

___ Microchip your puppies and register the microchips at <https://akcreunite.com>

___ Prepare your contracts <https://www.thedca.org/MemberEducation.html>

___ Request DCAF brochures for the puppy packs. Email kevin@kevinwoconnell.com with subject line DCAF Brochures for Puppy Packs

___ If you are a Purina Pro Club Member: Request puppy packs

<https://www.purinaproclub.com>

___ Set up your B.A.E.R. hearing test and DNA blood draw

___ Identify each puppy with their AKC number

___ Download & fill out the Congenital Deafness forms for OFA to submit B.A.E.R test results
<https://ofa.org/applications/hearing>

___ DCA Members should mark the form with "DCAF will pay for the registration"

___ Download and fill out the forms for DNA OFA Repository blood draw. The form and complete instructions can be found at https://www.dcaf.org/Research/OFA_DNA_Repository

___ Send in the forms and blood samples to OFA: Orthopedic Foundation for Animals, 2300 E Nifong Boulevard, Columbia, Missouri, 65201-3806

___ While you are filling out the DNA health forms for the litter, do an update of the health history on the Dam of the litter and any other Dalmatians in the house.

___ DCA Members - Nominate your individual puppies for Futurity before they are 4 months old. <https://dalmatianclubofamerica.org/futurity-on-line-form-puppy/>
